Requirements for Rumanian Housing Delegation

1. What is the average number of square meters of living space per person in Rumania? Define "living space." If official statistics are not available, a rough estimate will do.

2. What is the average number of square meters of living space per person in:

- a. rural areas?
- b. urban areas?
- c. Bucharest?

3. If information for questions 1 and 2 are unavailable, what other statistical indices of housing conditions in Rumania can be given?

4. How many square meters of living space must be constructed in the urban areas of Rumania each year during 1958-60 to meet minimum population and replacement needs?
